

# Cytolution User Meeting

[Register here](#)

**30 JUNE 2025**

**Location: Biomedical Center (BMC), LMU Munich**  
**Room: N 02.008**

**10:00 AM-  
5:00 PM**

## Unlock the Power of Modern Cytometry Analysis

Join us for an **inspiring day of insights, innovation, and interaction** at our upcoming Cytolution User Meeting- **live and in person!**

Together with **Dr. Benjamin Tast**, we're excited to invite you to this event, organized for everyone working with cytometry data. Whether you're new to Cytolution or already an experienced Cytolution user — **this event is for you.**

It's your opportunity to dive deeper into automated data analysis and **connect with the growing Cytolution community.**

## What Awaits You

Join us as we explore the latest advancements in automated cytometry data analysis and data-driven decision-making with Cytolution.

**Expect practical insights, interactive discussions, and a deep dive into modern data workflows.**

## Additional Highlight: Live Data Exploration

Experience a **Live Analysis Session** featuring a data selection from one of Dr. Tast's exciting research projects. **We'll explore how Cytolution supports each step of the workflow.**

**Register here**
